GRADE CELEBRATIONS OF LEARNING

Celebration assemblies for classes K-6 will be held at various times this term. These special grade assemblies are designed to recognise all students as successful learners and improvers.

Each student will receive a certificate of achievement based on the goals that they have set and worked towards. The notation on the certificate has been negotiated by the teacher and student following discussion of the student's efforts to achieve set goals. Goals may be academically and/or socially based, with each student playing a pivotal role in the process. Please appreciate that the goals may not necessarily be achieved in full, but the effort that has gone into working towards the goals is recognised.

In years K – 2, nominated students will receive medallions as well as their certificates. Students in years 3-6 who are to receive medallions will receive theirs at our Presentation Day on Monday, December 14 at Hunters Hill High School.

Three children from each class will also receive **Honour Certificates for Creative arts** in preference to having a Term 4 honour assembly.

Specific dates and times for the grade celebrations are provided to clarify arrangements. All celebration assemblies will be held in the Kit Kirkwood Centre at school.
